## Competition Rules

1. It's simple; just pick the winner of one Premier League match each week. If your selection wins, you progress to the next week. You are allowed one draw throughout the competition giving you an extra life but if your team loses regardless of your life not being used, you're out.
2. All entries must be received by text before the first game that weekend.
3. Once the selection has been made, you will not have the ability to change it.
4. You may NOT pick the same team to win more than once during the competition.
5. Should you forget to make your selection in any week, you will automatically be assigned the first team in alphabetical order from the teams you have not already chosen.
6. In the event that any match involving a team you have selected is postponed or cancelled, you will continue to the next round. However, that team will no longer be available for selection for you.
7. Should all participants remaining be eliminated in one weekend, the Last Man Standing prize will be distributed equally among them.
8. Competition will take place on Round dates 15/01, 22/01, 08/02, 12/02, 19/02, 26/02, 05/03, 12/03, 19/03, 02/04, 09/04, 16/04, 23/04, 30/04, 07/05, 15/05, 22/05, all subject to change.
9. Gael Colmcille reserves the right to amend these rules at any time with good reason. Any such revision will be binding and effective immediately on posting of notification of such changes on our Facebook page.
10. The number of participants will be capped at 200.
